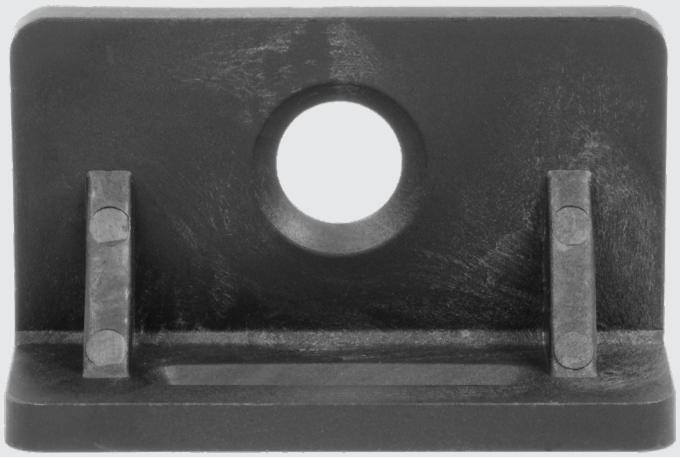
SIMONA Dutchclamp



POLEFIX

Product overview

The Dutchclamp Polefix is designed for the secure mounting of cable blocks and cable clamps. Using a single stainless steel band and two Polefix elements, all types of Dutchclamp cable clamps, cable blocks, or other products can be mounted to steel or concrete poles where drilling is not permitted.

Dutchclamp Polefix features

- Manufactured from glass fibre-reinforced polyamide (PA)
- Resistant to oil, UV radiation, ozone, salt, moisture, and acids
- Self-extinguishing and halogen-free
- Temperature range from -60 °C to +120 °C
- Coloured black

Subject to technical errors and changes.
